

César Chávez K-8 1st Annual Auction

Primera subasta anual de César Chávez K-8

January 16, 2018

César Chávez is a K-8 school located on N. Willis in north Portland. Our community is a thriving and diverse community. We are proud of both our school community and the community surrounding César Chávez. We are hoping to build relationships with local businesses to support and strengthen our community even further.

César Chávez is hosting our very first auction on April 28, 2018 and we would like to include the products and services your business provides our community. The families at César Chávez go out of their way to support local and small businesses. The funds raised this year will help to cover the cost of a covered play area for our kids. Presently, kids are stuck inside when the weather is rainy. For Portlanders, this means for most of the school year our kids don't get to go outside and play. And play is fundamental to students learning and growth.

Please consider donating a product, service, or gift certificate for the auction. In return, César Chávez will post your business information at our auction. **It is an excellent opportunity for you to support our school while building a strong, successful, and supportive community in the process.**

Another option you may consider is becoming a César Chávez Sponsor. For a donation of \$100 or more, we will include your business logo on all our auction marketing materials, which not only goes out to all of César Chávez's current families, but also neighbors and César Chávez alumni.

If you have any questions, please feel free to contact Marlon Broussard, Chair of the César Chávez Auction Committee. Thank you for your time and on behalf of all the families at César Chávez, we look forward to partnering with you!

Sincerely,
Marlon Broussard, César Chávez PTA Auction Committee
